

Discoverers

Campers ages 3 to 5 will have a blast this summer with age-specific activities and weekly-themed games, sporting and water activities, and lots of hands-on arts and crafts! Full day campers will travel on one field trip each week. All campers must be 3 when camp begins and **must be fully toilet trained.**

Explorers

FGC offers a faster-moving day camp for campers ages 6 to 8. This camp is designed specifically for older kids, with unique and challenging activities and more field trips each week to places such as Hawaiian Falls, Medieval Times and Six Flags!

Expeditioners

Our campers ages 9 to 13 will enjoy FGC's ultimate camp experience! In addition to theme-related games, sporting and water activities, and awesome field trips, these campers will take an extra field trip each week, where they will have the opportunity to learn about and serve their community. They will volunteer at local organizations, peek behind the scenes at local businesses and learn to understand their roles as citizens in the community. These campers will participate in the Babysitters' Training Course when offered by the City of Frisco.

Half Day Campers

Discoverers and Explorers (ages 3 to 8) have the option of participating in a Half Day Only camp. These campers will enjoy outdoor water play, gymnastics, arts and crafts, theme-related games and activities, and open gym. Half Day Campers do NOT participate in field trips. Campers over age 8 must participate in the Full Day program.

Full Day Campers

Full Day Campers participate in dynamic weekly activities, including indoor and outdoor games, rock climbing and multiple field trips to various exciting locations in and around Frisco. Weekly field trips may include Six Flags, Medieval Times, Hawaiian Falls, Sandy Lake Park, Main Event, Strikz, Studio Movie Grille, Frisco Fire Safety Town and many more! We pack each week of summer with tons of fun.

Kick It Up!

New this year! Frisco Gymnastics Center, Frisco Taekwondo and Frisco Dance Force have come together this summer to offer free discounted gymnastics, Taekwondo or dance classes to our Full Day Summer Campers! Other classes may also be available. See the FGC office for more details!

Friday Fun!

We will have special activities on Fridays, including contests, special visitors and prizes!

Field Trips

FGC Summer Full Day Campers, under the leadership of our Field Trip Coordinator, will spend two to three days each week exploring and enjoying a variety of the area's most fun, educational, cultural and recreational venues. Campers will be transported either on a bus or in our camp vans. Both the bus and our vans are air-conditioned, fully insured and driven by professional drivers or staff over age 25 with clean driving records.

Our Camp Staff

The true secret to a great camp experience is a great camp staff. At FGC, we have developed experienced, caring adult camp counselors and junior staff, who enjoy sharing their time and talents with each camper. Our counselors are carefully screened, background checked and CPR and First Aid certified.
